CANADA'S CHOICE FOR
QUALITY AND SERVICE

PORTABLE CONVEYOR SVS SCALE WITH EXTENDED CABLE INSTALLATION – TR TRUCKING, RIMBEY, ALBERTA

Fast, easy, reliable

- Cables terminate in a Junction box equipped with multi-pin receptacle. Hard usage cable extends the scale conductors to an indicator in a control cab.
- Indicator can be unplugged and removed when not in use.
- Setup is quick, easy and connections are reliable even after multiple reconnections.
